Journey	Zhangjiajie: Pillars of the Avatar Mountains
Duration	5 days
Theme	hiking
Hotels	4-star local
Language	English

Overview

Five days among the sandstone pillars that inspired Pandora — cloud forests, glass walkways, and hiking trails, guided at an unhurried pace.

Suggested journey

Part 1

Zhangjiajie is best experienced early. We enter the national forest park before the crowds arrive, take the elevator and walk the ridge paths while mist still moves between the pillars.

Part 2

The journey also includes Tianmen Mountain, with its long cable car and cliff-hugging glass walkways in the quieter valleys and villages below the sandstone peaks.

Part 3

Guiding is private throughout, with a vehicle for transfers and flexible walking distances. The focus is on scenic stairways and forests rather than a checklist of viewpoints.
